

Home Hemodialysis Travel Lead Time Requirements

Fresenius Medical Care supports home hemodialysis (HHD) travel by shipping some of your supplies directly to your destination.

Contact your clinic to place a travel order. Your clinic must place orders with Customer Service according to the minimum required lead times listed below to ensure successful product delivery. Delivery is not guaranteed for orders placed after the required lead time.

Supplies shipped directly include:

- Cartridges
- Premixed Dialysate Bags
- Multi-Line Adapters
