

Peritoneal Dialysis Travel Lead Time Requirements

Fresenius Medical Care can help coordinate shipping Peritoneal Dialysis (PD) supplies to your travel destination*. You can either order your supplies through customer service directly by calling 1-800-323-5188 (Option 1) or you can contact your clinic, and they can place an order on your behalf. Supplies must be ordered with at least the minimum required lead times.

Supplies shipped directly include:

- PD Solutions (APD Single Bags and/or CAPD Solutions w/ exchange sets)
- Liberty® Cyclor Disposables
- Caps

Destination

Minimum Required Lead Time

Domestic (Contiguous 48 states)

2 weeks

US Homeport Cruises
(original departure from contiguous 48 states)

3 weeks

Alaska, Puerto Rico

4 weeks

Hawaii

5 weeks

International*

10 weeks

* Late international orders cannot be accommodated under the minimum required lead times. Lead times for international travel begin once RTG customer service has received all accurate and completed paperwork, not upon inquiry. Only CAPD supplies can be ordered for international travel orders.

If you have questions related to travel, contact Customer Service at 1-800-323-5188 (Option 1).

* Travel destination must have at least a room temperature-controlled environment and be free from access to domestic animals to ensure product stability and safe dialysis treatment.
